## Catarrh Worse Than Smallpox.

It may be safely stated that CATARRH is more to be dreaded in a community than Smallpox, because the people are so apt to treat it lightly until it has spread and thousands of innocents become its victims, resulting in defective eyesight, deafness, nervousness, loss of hair, imperfect teeth in children, and many still worse symp-

YOU CANNOT BE TOO CAREFUL.

nor guard too well this insidious monster that "comes like a thief in the night" and before you realize it, is sapping away the life blood of your loved ones.

CATARRH

When a known contagious disease makes its appearance in a community the municipal authordities promptly enforce the strictest sanitary regulations, and by confining it to one place the doctor is able to check it and quickly stamp it out; but when Catarrh makes it appearance in a family the family physician may, ignorantly or maliciously, advise that it is not a serious matter—"a slight cold," and the like, and that there is no danger of complications of infection, and consequently the people are misled into allowing a little thing to grow and being off their guard, we soon have thousands of infected people and the disease runs on unchecked until the whole system is a mass of corruption and poison. Thus like a tiny hole in a dam the germ starts, little and insignificant at first, but gradually growing and gaining in volume until it bursts upon the startled vision like a torrent, and the mischief is done. Beware of little things and the big things will take care of themselves. If you have Catarrh—no matter how slightly—GET CURED NOW—DON'T RUIN YOUR HEALTH—IT DON'T TAKE LONG FOR COMPLICATIONS TO ARISE.

## CURES TALK. A POINT IN CASE.

SHORES, WE KNOW, HAVE A VERY LARGE PRACTICE: THAT THEY CURE A GREAT MANY SICK PEOPLE, BUT THEY ARE NO MORE SUCCESSFUL "YOU JUDGE A TREE BY ITS ESSFUL THAN OTHER DOCTORS," Drs. Shores concede the fact that they are no more successful than other doctors WITH LIKE EXPE-RIENCE. But you must remember Drs. When it is remembered that in all these hundreds of testimonials they are given VOLUNTARILY, and that no one is ever permitted to testify unless they do so cheerfully and with the patient's entire consent—the public will see DRS. SHORES' TESTIMO-NY MEANS SOMETHING. IT IS SICK PEOPLE'S STORIES OF HOW THEY REGAINED THEOR HEALTH FOR A TRIFLING COST when others have failed. # DON'T BE ASHAMEDOF

# YOU R CURE

Through the selfish pride or foolish vanity of a thoughtless wife or mother, who fancies that some disgrace may attach to taking the cure for Alcoholism, and who forgets in her new found security the weary days when she writhed in fearful anguish and hid her face in shame for the condition of the helpless loved one. Other women are going through the same valley of despair through which she struggled so many

helpless years. Perhaps in the very next house some happy woman guards the secret that would mean rescue, joy and restored husband to the wretched ones who never heard of a cure for such sorrows as theirs. If the time ever comes when you feel ashamed to admit that your husband took the Keeley Cure, remember that you once suffered just as those are suffering and you have it in your power to help
